DOWNTOWN SIGN PERMITS & ORDINANCES

SEC. 38-45 C-2 (Central Business District)

Temporary signs are allowed up to a maximum of 60 square feet. Permanent signs for commercial use are allowed; permanent signs for residential use are prohibited. In addition, permanent signs are subject to the following restrictions.

The square footage allotment can only be used on the side of the lot which it is configured, e.g., the front property line allotment may only be used on the front of the building. Maximum square footage per side is limited to:

Front of property: Four square feet for each foot of lot width. Additional parameters apply for signs to the side or rear of property.

Maximum sign height is to be 25 feet; provided, however, that a permit may be issued for a maximum height of 75 feet in a C-2, C-3, M-1, or M-2 district if the following provisions are met:

BLADE SIGNAGE

Signs may not project over the right of way more than 4 feet and must have a minimum of 10 feet of clearance from the grade.

Signs must be self-supported, have no poles, posts, or supports on the city right of way. The allowable projection only applies to properties that have a building built on the property line.
